INITIATIVES

- July 2024: Six seminars on *The Violation of Human Rights and International Judicial Institutions*.
- 2023 – 2024: *Foundations of a Good life*. A series of ongoing lectures by scholars from Europe, Asia, North America, and Africa sharing their own cultural view on the conception of the good life. This series of seminars was initiated by invitation of Avicenna University, Kabu, Afghanistan.
- 2022 – Present: Three graduate seminars (12-week sessions each) delivered online in the Farsi language for people of Iran and Afghanistan:
 - *The outburst of anger: Why people Revolt?* This is a course on theories of conflicts;
 - *International Law in Theory and Practice with a Concentration on Advisory Opinion of the International Court of Justice*;
 - *The Law of International Organizations with a Concentration on Advisory Opinion of the International Court of Justice*;
- Initiated an educational project entitled "Education, Empowerment, and Democratic Development". This has been framed in a MOOC format and includes 4 courses each of them 8 weeks. The project will start in September 2024.
- 2006 - Present: Founded and managed (all voluntarily) Alternative Perspectives and Global Concerns (apgc.ca). This not-for-profit global think tank network has initiated international conferences, seminars and workshops, and local events, and has published books and articles. As a result of my engaged efforts, 2019, APGC was granted Consultative Status by the UN ECOSOC on June 12, 2019.
- 2006 – Present: Initiated and organized (all voluntarily) 23 international conferences about global challenges such as “inequality and ethics of duty”; “cosmic consciousness and human excellence”; “faith in democracy”; “immorality of terrorism”; “ethics of globality”; “a response to totalitarianism”; and “foundations of a good life”.
- 2020 – Present: Initiated 42 weekly-held international seminars (all voluntarily) on the post-COVID-19 lifeworld with the participation of leading scholars from almost all corners of the world.
- Published 15 books on topics such as human well-being; spirituality, ethics; human development; and moral wrongfulness of terrorism (all of them not-for-profit).
- Initiated a series of 14 educational textbooks on human rights in the Farsi language. Eight textbooks were published, and The rest are in progress.
- Initiated a series of local workshops and international webinars on global ethics; universal spirituality; hermeneutics of selfhood; ethics of globality; human rights; and crisis of identity for the Iranian community. All of them are non-profit.
- A weekly-run TV series in Farsi language entitled “Reflections on Human Rights Issues”. This is broadcast by Mihan TV in California.
